

*Cornell Agriculture & Food Technology Park*  
Executive Committee Meeting, July 20, 2017, 9:00a – 10:00a

Members Present: Mike Manikowski, Brian Bodah  
Non-Members Present: John Johnson, Gordon Maynard

---

Mike made a motion to approve the meeting minutes from June 15, 2017

Brian seconded said motion, motion approved.

John stated that the Tech Farm's building remodeling and build-out projects are complete, projects underwritten by an \$84K grant from Genesee Valley Authority, full tenant occupancy expected by Q4 2017.

John reviewed tenant updates;

- Hellenic Yogurt's intent is still to proceed with plans to construct a new building on Tech Farm acreage
- Agro Research is awaiting new design plans from their architect to address modifications to existing building design, plans are subject to review by the Tech Farm's Real Estate Committee
- Cheribundi continues to lease office space for management, until the end of 2017
- AES Systems to begin workspace manufacturing lease sometime in September 2017
